

Covenant UMC Preschool Registration

Please let us know more about your child so we can address any special needs.

Are there any foods your child cannot have at school? For instance, is your child a vegetarian? Does he/she have food sensitivities or a diagnosed food *allergy*?

Please describe:

If your child is over 2 years old, is he/she potty-trained?

Do we need to provide modifications in the classroom due to a medical diagnosis?

Are there any other special needs that you'd like us to be aware of?
